Eco-chic & refillable

UNPACKING Y/OUR SUSTAINABILITY POTENTIAL

Eco-design is at the heart of our thinking: we propose a refillable jar, the perfect solution to help the environment.

Reuse: Miracle Refill allows the glass jar to be reused. Customers can reuse the glass jar and refill it, thanks to the innovative mechanism designed by Berlin Packaging | Premi Industries.

Recycle: the Refill Cup can be removed after usage and separated from glass, for a properly disposal of the packaging by consumers.

REFILLABLE JAR

Less waste and reuse of the glass packaging thanks to the Refill Cup that match with the Miracle refillable jar. Refillable packaging is the ideal solution to create a win-win situation for all the parts involved: the brand can offer a sustainable product, that is mandatory nowadays as consumers increasingly demand packaging with sustainable profiles, and they can continue to take care of themselves and at the same time of their planet.

EASY TO TAKE OFF!

The Refill Cup fits perfectly into glass jar thanks to the mechanism developed by R&D team and is very easy to remove from the jar.
