DOUBLE GLASS refill & go

For the **extra-premium** packaging segment, Berlin Packaging | Premi Industries offers the sophisticated look of the Double Glass Refill & Go collection. Available in two sizes of 15 and 30 ml, it is the perfect mix of elegance and sophistication thanks to its attractive design: a tubular glass ampoule seemingly suspended inside a larger glass bottle that protects it from the outside while showcasing and enhancing the textures of the beauty formulas.

The perfect travel pack

Double Glass Refill & Go is the perfect packaging for travelling, as you can carry only the refill bottles with their pumps and safety clips, thus gaining a space and weight advantage.

UNPACKING Y/OUR SUSTAINABILITY POTENTIAL

Reuse: Double Glass Refill & Go allows the outer glass bottle to be reused. Customers can reuse it and refill it, thanks to the innovative mechanism designed by Berlin Packaging | Premi Industries.

Recycle: Double Glass Refill & Go is the perfect packaging solution to help the environment: the components of the packaging can be easily separated and differentiated by material.
