## REFILLABLE GLASS JAR

### UNPACKING Y/OUR SUSTAINABILITY POTENTIAL

We designed Miracle Refill jar with sustainability at the heart of the project. Refillable jars are the perfect solution if you are looking for packaging with sustainability features.

**REUSE**  
reusable & refillable  
**CIRCULARITY**  
separable components

**Reusable & Refillable:** Miracle Refill allows the glass jar to be reused. Customers can reuse the glass jar and refill it, thanks to the innovative mechanism designed by Berlin Packaging Beauty.

**Separable components:** the Refill Cup can be removed after use and separated from glass to facilitate proper disposal by consumers.
